Carly Timm

*Projects Assistant to ROAP Regional Director
United Nations Environment Programme (UNEP)*

- As a consultant to the Asia Pacific Forum for Environment and Development Showcase Programme, Carly's work aims to promote best practices in the field of sustainable development. Specifically, she focuses on analyzing the outcomes of innovative policy developments at the local level and linking successful pilot projects to macro-policy transformation. In addition to her work with the APFED Showcase Programme, she assists in the UN Delivering as One Initiative by lending support in drafting inputs for UN Country Analysis and UNEP Country Frameworks.
- **Education:** Carly holds a Bachelor's degree in Environmental Policy and a Masters degree in International Relations from the United States.
