

Speaker

Razi Latif
Senior Programme Officer
Joint UNDP-UNEP Poverty Environment Initiative

- Razi Latif, currently Co-Manager of the Poverty Environment Initiative for the Asia Pacific Region at UNEP, Bangkok, Thailand. He has 20 years of experience in the area of environment and development in Africa, Asia, Eastern Europe, the Middle East and Russian Federation.
 - **Experience:** Razi started his career in the environment department of a Regional Development Bank, and then went on to work for an African government, the private sector and the European Commission. His longest posting was at Tanzania where he helped to mainstream environmental sustainability into aid modalities such as budget support and sector wide approaches, and also developed work on donor and aid harmonization in a 'One-UN' pilot country.
- **Education:** Razi has qualifications in marine resources management, ecology, politics and economics.
