

Speaker

Dwipal Kumar Bose

*Behaviour Change Communication Strategist
Advisor to Health Point Service India*

Over the last half of the century, Mr. Bose has worked as a media specialist, rural and social marketing and behavior change communication strategist.

He has been involved as a lead person in developing a nationwide Immunisation Communication campaign supported by activities at the ground level in specific states such as UP, MP, Bihar and Rajasthan. He has also been part of a campaign in promoting Child Survival and Safe Motherhood programmes.

He has also widely promoted Population Stabilisation Programme in Uttar Pradesh during the early nineties under SIFPSA.

He has had long association with various programmes on Reproductive Health, HIV and AIDS issues specially impacting children and women. He has worked as an Advisor with Hindustan Latex, HLPPT, USAID, DFID, UNICEF, Bill and Melinda Gates Foundation, John Hopkins University (Population Communication Services) etc. Most of his work has been primarily focused on urban poor, semi-urban and rural poor.
